CORRESPONDENCE HERE

Dear Eva, I have been wanting to write to you for some time but am so busy so will send you a card and will answer your letter later. I suppose you are very busy now too. Aunt Tillie is at Aunt Frances at present. I saw her yesterday. Uncle is not so well today but is better than he was some time ago. And I'm sorry now that she did not stop with you since Uncle is better but of course should not know. Love to all Your aunt Edith
